

In-Home Services

Private Wine Tastings

Elevate your next social gathering with MWS. We work with you to devise a theme and wine menu, and provide an unforgettable experience. We provide the wine, serve, and educate your guests, allowing you the opportunity to enjoy your own party.

Personal Wine Butler Service

Let us help you pair your foods with spectacular wines for your dinner or garden party. Suggestions include appropriate glassware, serving temperatures, and tasting notes.

In-Home Education

Custom and tailor-made educational programs perfect for groups of all sizes,

Wine Collection Appraisal & Cataloguing

Protect your wine by completing a comprehensive cataloguing and evaluation of your wine collection to ensure you have adequate insurance coverage on one of your greatest investments. We will also look at storage conditions and recommend any changes to your cellar to optimize the health of your wines.

Let us help you elevate your next party or get together with a complimentary consultation to determine your needs. Contact us to learn more!
